

CITY OF STANDISH

APPLICATION FOR WATER/SEWER SERVICE

DATE: _____

I, (we) _____ hereby apply for water and/or sewer service to the premises owned by applicant, located at and known as _____ Standish, Michigan and agree to pay for such water/sewer service, the rates which are prescribed by ordinance for the City of Standish.

Applicant desires a _____ inch water line from the main to the curb box.

Applicant desires a _____ inch sanitary sewer lateral from the main to road right of way/property line.

Applicant agrees that this application is granted upon the following conditions being met:

1. All such pipe shall be one of the following:
 - a. K-COPPER
 - b. SDR-26 160 PSI
 - c. SDR-21 200 PSI
 - d. C900 160 PSI
2. The service line or lines shall be placed at least 60 inches below the surface so as to be free from freezing. Applicant shall provide a frost-free location in which to install a meter.
3. Applicant agrees that no sewer or other service shall be installed in the same trench as the water line.
4. Applicant agrees that the service line from the curb box to the meter location shall be placed in a trench with a sand base and that all back filling of any trench shall be done in a compaction manner.
5. Applicant shall be responsible for any and all damages suffered through a break in the service line from the curb box to the meter and shall make the necessary repairs to such service line within 48 hours from the date of discovery. Failure to make such repairs shall permit the water/sewer department to estimate the gallons of water lost through the break. Applicant understands that any break caused by repair, maintenance, corrosion or other acts of damage – intentional or unintentional – shall be immediately repaired by the applicant at his expense.
The property owner will be charged for all water and sewer that runs through the meter; even if damage occurs either accidentally or by act of nature. The property owner may appeal such charges to the City Manager. The City Manager has been authorized and directed by the City of Standish Council to make final judgments in these matters to maintain a fair and consistent pattern of decision making. Therefore, anyone appealing their water and sewer charges understands that the City Manager's decision in these matters is final.

6. Upon completing the application, the applicant shall pay the City of Standish a _____ fee each, prior to any excavating or work necessary to install the water/sewer service, along with the meter fee. All additional costs will be payable and due immediately after installation and prior to the service being turned on (excavation, boring, etc.).
7. Applicant understands that the City of Standish may enter upon applicants property to inspect, repair, determine usage and condition.

****NOTE****

The trench for the service line shall not be back filled until an authorized agent of the City of Standish has inspected the trench and service line.

"The City of Standish" is an 'Equal Opportunity Provider'

I (we) _____ hereby apply for water and/or sewer service to the premises owned by applicant, located at and known as _____ Standish, Michigan and agree to pay for such water/sewer service the rates which are prescribed by ordinance for the City of Standish.

Applicant desires a _____ inch water line from the meter to the main line.

Applicant desires a _____ inch sanitary sewer lateral from the main to main right of way/utility line.

Applicant agrees that this application is granted upon the following conditions being met:

1. All such pipe shall be run of the following:
 - a. K-COPPER
 - b. SDR-35 160 PSI
 - c. SDR-35 200 PSI
 - d. CSO 160 PSI
2. The service line or lines shall be placed at least 60 inches below the surface so as to be free from freezing. Applicant shall provide a frost-free location in which to install a meter.
3. Applicant agrees that no other water/sewer shall be installed in the same vicinity as the water line.
4. Applicant agrees that the service line from the curb box to the meter location shall be placed in a trench with a sand base and that all back filling of any trench shall be done in a compacted manner.
5. Applicant shall be responsible for any and all damages sustained through a break in the service line from the curb box to the meter and shall make the necessary repairs to such service line within 48 hours from the date of discovery. Failure to make such repairs shall permit the water/sewer department to estimate the gallons of water lost through the break. Applicant understands that any break caused by repair, maintenance, corrosion or other acts of damage - intentional or unintentional - shall be immediately repaired by the applicant at his expense. The property owner will be charged for all water and sewer that runs through the meter, even if damage occurs either accidentally or by act of nature. The property owner may appeal such charges to the City Manager. The City Manager has been authorized and directed by the City of Standish Council to make final decisions in these matters to maintain a fair and consistent system of decision making. Therefore, appeal regarding their water and sewer charges stands only from the City Manager's decision in these matters is final.
